About Tiruvannamalai

Tiruvannamalai is a divine town and the administrative headquarters of Tiruvannamalai district in south Indian state of Tamilnadu. It is well known for the presence of Arunachaleswarar temple, a place of worship and peace of mind.

About the College

Shanmuga Industries Arts and Science College (SIASC) is an esteemed institution in the spiritual town, Tiruvannamalai. It was established in 1996 and is permanently affiliated to Tiruvalluvar University. The college is conducting various UG, PG and research programmes in various departments.

About the Department

The Department of Chemistry was established in the year 2011 with a view of imparting scientific knowledge among the students of rural area.

Our department is equipped with sophisticated laboratory facilities to meet the demands of the curriculum framed by the University.

We are also offering PG and Research Programmes with highly qualified and dedicated faculty members.

About the Conference

The 2nd National Conference on

"EMERGING TRENDS AND FUTURE CHALLENGES CHIMICAL SCIENCES"

scheduled on 12th October 2018 is to provide a platform for scientists, research scholars and students to learn, share and interact with the experts from diversified fields and enrich their knowledge.

Areas of Interest

- ✚ Nano Technology
- ✚ Organic and Medicinal Chemistry
- ✚ Coordination Chemistry
- ✚ Solid State Chemistry
- ✚ Bio-Inorganic Chemistry
- ✚ Polymers & Chitosan based Polymers
- ✚ Analytical Techniques in Chemistry
- ✚ Kinetics and Electrochemistry
- ✚ Environmental Chemistry
- ✚ Green Chemistry
- ✚ Photochemistry
- ✚ Energy and Materials
- ✚ Sensors

Call for Papers

The abstracts are invited (about 500 words) for oral and poster presentations. Participants are requested to send the abstract of their original research work as a word document in Times New Roman, Font size 12 with 1.5 line space. Those who are willing to present their paper are requested to submit their abstract through Email to siascchem@gmail.com on or before 28.09.2018. The papers selected for oral and poster presentation will be published in the conference proceedings. We will send you the template for paper submission through mail.

UGC Approved Journal is a double blind peer reviewed International Journal that provides rapid publication of articles in all areas of applied chemistry and its applications.
